INTRODUCTION

1.1 The Census (2011) data showed a significant declining trend in the Child Sex Ratio¹ (CSR) between 0-6 years with an all time low of 918. The issue of decline in the CSR is a major indicator of women disempowerment. CSR reflects both, pre-birth discrimination manifested through gender biased sex selection, and post birth discrimination against girls. The principal factor behind the Child Sex Ratio being so adverse is the low Sex Ratio at Birth (SRB)². Social construct discriminating girls on the one hand, easy availability, affordability and subsequent misuse of diagnostic tools on the other hand, have been critical in declining CSR. The strong socio-cultural and religious biases, preference for sons and discrimination towards daughters has accentuated the problem.

1.2 The sharp decline as pointed by Census 2011 data is a call for urgent action, as it highlights that the girl child is increasingly being excluded from life itself. Coordinated and convergent efforts are needed to ensure survival, protection and education of the girl child. The Government has launched *Beti Bachao, Beti Padhao* (BBBP) programme to address the issue of decline in CSR through a mass campaign across the country, and focussed intervention and Multi-Sectoral Action in 100 gender critical districts.

2. PURPOSE OF THE IMPLEMENTATION GUIDELINES

2.1 The purpose of these guidelines is to serve as a reference material with all necessary practical information on the components of BBBP and how to implement, monitor and report it at various levels. These are also intended to serve as an effective reference manual for officials at the National and State / Union Territory (UT) levels for policy guidance and monitoring. The Guidelines cover key components of the Scheme as well as modalities of implementation. It also lays down monitoring and reporting formats to be used at different levels. It is expected that these guidelines will be used by the target audience as a reference material for understanding scheme strategy and its processes. It will also help them to ensure effective implementation of

¹Child Sex Ratio is defined as number of girls per 1000 of boys between 0-6 years of age.

²Sex Ratio at Birth is defined as number of girls born per 1000 boys born

the Scheme at all levels. The guidelines are not exhaustive and the feedback received from States/UTs from time to time will be incorporated as per requirements.

3. OBJECTIVES:

3.1 The Overall Goal of the Beti Bachao, Beti Padhao (BBBP) Scheme is to celebrate the girl child and enable her education. The objectives of the Scheme are as under:

- i) To prevent gender biased sex selective elimination
- ii) To ensure survival and protection of the girl child
- iii) To ensure education and participation of the girl child

4. TARGET GROUPS

Primary	Young and newly married couples; Pregnant and Lactating mothers; parents
Secondary	Youth, adolescents (girls and boys), in-laws, medical doctors/ practitioners, private hospitals, nursing homes and diagnostic centres
Tertiary	Officials, PRIs; frontline workers, women SHGs/Collectives, religious leaders, voluntary organizations, media, medical associations, industry associations

5. CRITERIA FOR SELECTION OF DISTRICTS

- i) The Scheme is intended to improve Child Sex Ratio across the country with and focussed intervention and Multi-Sectoral Action in 100 gender critical districts. The list of 100 districts worse on CSR is attached at **Annexure A**.
- ii) The 100 districts have been identified on the basis of low Child Sex Ratio as per Census 2011 covering all States/UTs as a pilot with at least one district in each state.
- iii) The criteria/norms for selection/identification of 100 districts under the Beti Bachao Beti Padao programe are as under :-

- 87 Districts have been selected from 23 States/UTs having Child Sex Ratio below the National average of 918.
- 8 Districts have been selected from 8 States/UTs having Child Sex Ratio above National average of 918 but showing declining trend
- 5 Districts have been selected from 5 States/UTs having Child Sex Ratio above National average of 918 and showing improving trend so that other parts of country can be learn from them

6. COMPONENTS

6.1 **Mass Communication Campaign on Beti Bachao-Beti Padhao:** Under the Scheme, a Nation-wide campaign was launched for celebrating Girl Child and enabling her education. The campaign aims at ensuring that girls are born, nurtured and educated without discrimination to become empowered citizens of this country with equal rights. A 360° approach is being adopted to create awareness and disseminating information about the issue across the nation. This includes radio spots/ jingles in Hindi and regional languages, television publicity, community engagement through mobile exhibition vans, social media and field publicity. Awareness generation through SMS campaigns, Mailers, Hand-outs, Brochures and other IEC material in English, Hindi and regional languages is to be adopted. Social Media Platforms to be used such as MyGov, Vikaspedia, Website of Ministry of Women and Child Development, Facebook, Youtube etc.

6.2 **Multi-Sectoral intervention in 100 Gender Critical Districts worse on CSR:** MWCD will initiate a Multi-Sectoral Action in selected 100 districts covering all States/UTs for schematic intervention. Sectoral actions are drawn in consultation with M/o H&FW & M/o HRD. Measurable outcomes and indicators will bring together concerned sectors, states and districts for urgent concerted Multi-Sectoral Action to improve the CSR. A flexible framework for Multi-Sectoral Action will be adapted and contextualised by State Task Forces for developing, implementing and monitoring State/ District Plans of Action to achieve the State Specific Monitorable Targets. State/ Districts will similarly develop their plans responsive to different State/District contexts.

7. MONITORABLE TARGETS

- i) Improve the Sex Ratio at Birth (SRB) in 100 gender critical districts by 10 points in a year.
- ii) Reduce Gender differentials in Under Five Child Mortality Rate from 8 points in 2011 to 4 points by 2017.
- iii) Improve the Nutrition status of girls - by reducing number of underweight and anaemic girls under 5 years of age (from NFHS 3 levels).
- iv) Ensure universalization of ICDS, girls' attendance and equal care monitored, using joint ICDS NRHM Mother Child Protection Cards.
- v) Increase the girl's enrolment in secondary education from 76% in 2013-14 to 79% by 2017.
- vi) Provide girl's toilet in every school in 100 CSR districts by 2017.
- vii) Promote a protective environment for Girl Children through implementation of Protection of Children from Sexual Offences (POCSO) Act 2012.
- viii) Train Elected Representatives/ Grassroot functionaries as Community Champions to mobilize communities to improve CSR and promote Girl's education.

8. STRATEGIES

As the issue of decline in Child Sex Ratio is complex and multi-dimensional, a multi- sectoral strategy which is governed by the core principles of respecting, protecting and fulfilling the rights of girls and women, including the ending of gender based violence will be adopted. The core strategies will be as follows:

- i) Implement a sustained Social Mobilization and Communication Campaign to create equal value for the girl child and promote her education.
- ii) Place the issue of decline in CSR/SRB in public discourse, improvement of which would be an indicator for good governance.
- iii) Focus on Gender Critical Districts and Cities low on CSR for intensive and integrated action.
- iv) Mobilize and Train Panchayati Raj Institutions/Urban local bodies/ Grassroot workers as catalysts for social change, in partnership with local community/women's/youth groups.

- v) Ensure service delivery structures/schemes and programmes are sufficiently responsive to issues of gender and children's rights.
- vi) Enable Inter-sectoral and inter-institutional convergence at District/Block/Grassroot levels.

9. MODALITIES OF SCHEME

- Appendix (4) : Parameters and Guidelines for instituting district level award for promoting Education for girls**
- Appendix (5) : Budgetary provision for the districts**
- Appendix (6) : Guddi-Gudda Board**

1. Districts identified

The 100 districts have been identified on the basis of low Child Sex Ratio as per Census 2011 covering all States/UTs as a pilot with at least one district in each state. The district wise target for Sex Ratio at Birth (SRB) in selected 100 districts is placed at **Appendix 1**.

2. Guidelines for strategic actions to be undertaken at district, block and village level:

2.1. Mechanisms for planning, implementation and monitoring at District/Block and Gram Panchayat levels:

District (Action- DC)

- i. Constitute District Task Force (DTF) headed by DC with representatives of Line Departments (Health & Family Welfare; Education; Panchayati Raj/ Rural Development and Police) to:**
 - Develop District Action Plans through a consultative process involving Departments of Women and Child Development, Health and Education. The Template for District Level Action Plan (November 2014-March 2017) under BBBP are at **Appendix-4**.
 - Provide guidance for implementation of Multi-Sectoral action.
 - Undertake monthly review of the progress on the activities listed in the Department Plans of action at the district level.
 - Nominate Nodal Officer (Senior Official) from each Department for formulation, implementation and monitoring of District Action Plans under overall supervision of DC/DM.
 - Designate a Coordinating Officer amongst them to facilitate the process of formulation of District Action Plan.
 - Undertake overall responsibility for measurable changes in identified indicators related to CSR/SRB.
 - Review the implementation of PC&PNDT Act.

- Follow-up with district Judge on PNDD cases and submit monthly report to the State Authority with copy to PNDD Division, GOI.
- Establish linkages with:
 - Local NGOs working on the issue of Gender, Child Sex Ratio, Education.
 - Schools, colleges, professional colleges and universities to promote youth campaign on value of girl child and enable her education.
 - Corporates to mobilize resources under Corporate Social Responsibility.
 - Undertake overall responsibility for measurable changes in identified indicators related to CSR/SRB.

The technical support and guidance for the implementation of Action Plan in the district would be provided by District Programme Officer (DPO) in the District ICDS Office/PNDD Cell or any other structure as deemed fit by the DC/DM. This structure will also supervise the day to day coordination and monitoring related to implementation of activities on ground. In identified cities / urban areas, the plan will be implemented through the Urban Local Bodies/Municipal Corporations. At the national level, a National Task Force headed by Secretary MWCD will monitor quarterly progress on a regular basis. At state level, a State Task Force headed by the Chief Secretary will monitor progress at regular intervals.

Block: (Action-Sub Divisional Magistrate/Sub Divisional Officer/Block Development Officer)

- i. Constitute Block Task Force (BTF) headed by SDM/SDO/BDO
- ii. Ensure that Quarterly meeting of BTF are held on a regular basis
- iii. Ensure follow-up actions are taken in a time-bound manner

Gram Panchayat (Action-Sarpanch/ Pradhan)

- i. Existing forum of Village Health Sanitation and Nutrition Committee (VHSNC), a sub-committee of Gram Panchayat, will have the responsibility of coordinating implementation and monitoring of action plan. (Action-points for Gram Panchayats on CSR circulated by Ministry of Panchayati Raj are to be followed in all the forums of Panchayats like Ward Sabha, Gram Sabha, Mahila Sabha and Gram Panchayats. Action-points for Gram Panchayats are enclosed in the Guidelines at **Appendix-3**).

- ii. Existing platform of Village Health and Nutrition Day to be used for service delivery and counselling on *Beti Bachao, Beti Padhao*.

Timelines:

- i. DCs should constitute District Task Force/Block Task Force within 1 month of approval of the scheme
- ii. Ensure first meeting of the DTF/BTF within a week of its constitution
- iii. Finalize timelines and monitorable targets for district action plan within 15 days and submit the same to Dept. of Women and Child Development (DWCD) in their respective State for collation and onward submission to MWCD for approval
- iv. The District Action Plans will be rolled out as soon as the funds are transferred to the District through the State

2.2 Implementation Activities:

2.2.1 Orientation and Sensitization

Orientation

- i. Orientation of District Officers/ Zila Parishad members/ Judiciary/ District Legal Services Authority (DLSA)/NGOs/Doctors for identifying role and responsibility (within 1st quarter of the roll out of the scheme).
- ii. Orientation of Block Officers/Block Parishad / Panchayat Pradhans /Sarpanches / Front line workers/SHG members (over a continuum).
- iii. Orientation of Panchayat members, Village Health Sanitation and Nutrition Committee (VHSNC) members on tools for data collection/ Community Mobilization/dissemination of information on schemes and programmes/ Reporting.

Sensitization

- i. Sensitization of Member of Parliament (MP)/Members of Legislative Assembly (MLA)/Elected representatives/ Religious leaders/ Community leaders (within 1st quarter of the roll out of the scheme).
- ii. Sensitization of teachers on Child Sex Ratio through Sarva Shiksha Abhiyan (within 1st quarter of the roll out of the scheme).

2.2.2 Effective Implementation of PC&PNDT Act

- i. Identify source of baseline data for measuring the CSR, SRB. Selected districts will have to measure/identify baseline data by 31st December, 2014. Against this, the progress of the proposed intervention will be measured after 02 years.
- ii. Strengthen District PC & PNDT cells by recruitment of at least 05 human resources (Cell Administrator, Legal Consultant, Inspector (Rtd.) for monitoring, and Data Entry Operators-2) with office equipments and space within the DM's office.
- iii. Map all the available ultra-sonography machines (individual machines not the clinics), in the districts and update of this data after every 03 month.
- iv. Ensure statutory Institutional bodies (as contained in the PC & PNDT Act- *District Appropriate Authorities, & District Advisory Committees*) and ensure *District Inspection & Monitoring Committees* are set up in the districts.
- v. Update information (including the most crucial interventions required in each case) of all the on-going PNDT court cases by District Legal Consultant. Review of action taken by the Legal Consultant is to be done by the District Magistrate every month.
- vi. Analyze birth records, at IVF centres, Surrogacy clinics, and genetics counseling centres in the district, with a view to know the percentage of births of male & female child there. This will be done by the District Appropriate Authority and the report submitted to the State Appropriate Authority (SAA).
- vii. Ensure functioning of anonymous online complaint portal.
- viii. Institute Rewards for the informers to help in identify the unregistered/ illegal ultrasound machines and the clinics indulging in illegal practice of sex selection.

Note: However while implementing these interventions at the district/block/gram panchayat level; the aim should be to prohibit and regulate the illegal practice of sex selection / determination and not to track pregnancies. Interventions should not impede the implementation of MTP Act meant for providing safe abortion services to women as such steps can further victimize the women.

2.2.3 Enabling environment for value & education of Girl Child

- i. **Enabling environment for the birth of Girl Child** through the following:
 - Promote early registration of pregnancy in the first trimester at AWCs/Health Centres, ante natal care, post natal care and counseling of mothers for ensuring equal care of the infant girl through public awareness campaigns.
 - Promote effective implementation of Mother & Child Protection Card (MCPC) by AWWs/ASHAs-across the continuum.
 - Using fixed monthly village health and nutrition day-increase early registration of pregnancy and create peer support group of AWW, ASHA, ANM, other mothers for pregnant mother/mother of girl child and family to change societal norms.
 - Improve awareness & utilization of MoWCD's Schemes & Programmes for women/girls - ICDS, ICPS, IGMSY, Sabla, Creche, Swadhar Greh, CARA, Working Women's Hostel-across the continuum.
 - Identify community watch groups (women panchayat members, trained teacher, youth groups, others) and local response points to ensure protective environment for girls.
 - Incentivise Schools/ Panchayat/ Urban ward/ Frontline worker/Community volunteer on annual basis.
- ii. **Enable education** in order to
 - Activate School Management Committees (SMCs) to ensure universal enrolment of girls through special drives- over a continuum.
 - Create Balika manches to encourage participation of girls in schools and to link out of school girls -over a continuum.
 - Link out of school with back to school or alternative education options.
 - Construct Girl's toilets where none exists & make dysfunctional toilets functional (96509 girl's toilets in elementary and 6688 in secondary schools)-to be constructed by August, 2015.
 - Construct 47 Kasturba Gandhi Bal Vidyalayas (KGBV) buildings - to be completed by August 2015.
 - Initiate Campaign to re-enroll drop-out girls in secondary schools –through massive joint village contact drive, using AWWs, ASHAs, PRIs, and Community/women/youth groups.

- Identify Constraints to girl's education-women researchers, uniforms, text books, toilets, transport/escort in safety, sibling, sibling care bureau, burdened with water/firewood collection etc.
- Construct 500 girls hostel for secondary and senior secondary schools by August 2015.
- Operationalize standard guidelines/ protocols for Girl Child Friendly Schools including residential schools & ensure its effective implementation by August 2015.
- Institute a district level award to be given to 5 Schools/year for promoting girl's education (Parameters and Guidelines for instituting awards is placed at **Appendix-4**).

2.2.4 Training & Capacity-building

- **Mainstreaming Gender equality related concerns**
 - i. **Integration of gender equality related concerns in curriculum** across the educational institutions with special emphasis on Medical Colleges.
 - ii. **Integration of the girl child and gender equality related concerns in the training strategy of:**
 - Administrative, police, judicial, medical colleges and other training academies, such as LBSNAA, ATIs.
 - iii. Integration of Gender Concerns in the recruitment of personnel at district level.
 - iv. **Strengthen capacities of the existing training institutions of the relevant Departments-** including
 - Through Gender and Girl Child Units - to impart effective training on Gender Sensitization and issues related to the CSR.
 - v. **Inclusion/ Integration of the girl child and gender equality related concerns into the training curricula and modules of relevant flagship programmes/schemessuch as**
 - ICDS, NRHM/NHM, SSA, NRLM, MGNREGA, TSC etc. and that of PRIs, ULBs, women's SHGs and youth groups.
- **Capacity-building**
 - i. **Undertake training of Frontline workers such as AWWs/ ASHAs** to enhance their understanding on

- Issue of declining CSR, female foeticide and its social impact; implementation of PC&PNDT Act; manage and monitor relevant data, & facilitate convergence on ground.
- ii. **Train District Appropriate Authorities & other functionaries under the PC&PNDT Act**
- iii. **Build capacities of the existing training institutions working with youth groups and Sabla groups**
 - To enable these groups to emerge as change agents (community volunteers) for improving the CSR and ending gender based violence.

4.2.5 Advocacy, Community mobilization & Awareness Generation

- i. **Community Mobilization and Outreach** through interactive initiatives like *Naari ki Chaupal*³, *Beti Janmotsav*, *Mann ki Baat*, etc. may be initiated to spread the message of *Beti Bachao Beti Padhao*.
- ii. **Dedicate a special day** every month for celebration of *Beti Bachao, Beti Padhao*.
- iii. **National Girl Child Day** may be celebrated on 24th January every year by all stakeholders including local opinion makers, PRI Members, MLAs, MPs etc. at District levels, led by the District Administrations of the 100 gender critical districts.
- iv. **International Women's Day** may be celebrated in order to send out a strong message highlighting the importance of gender equality and need of empowering women and girls. Further, celebration of this Day can be used to highlight the contribution of empowered mothers to the BBBP Scheme.
- v. **Pledge** for protection, safety, value and education of the girl child may be adopted by Govt. of India and the same may be taken on the occasion of National Girl Child Day by DC/DM along with other government functionaries. The Pledge shall be in Hindi and English and States/UTs may get the translation of the same done in regional languages for dissemination in the Districts.
 - a. **Encouraging reversal of son centric rituals and customs** may be done through the following:
 - ✓ Advocacy efforts and community mobilization initiatives like celebrating *Lohri* for the birth of a daughter, siblings tying *rakhisto* each other on *Raksha Bandhan*,

¹*Naari Ki Chaupal* aims to create a vibrant meeting space that enables a large number of community groups, civil society organizations and women from various communities to come together, reflect and have a dialogue on issues that affect women with an approach towards finding solutions.

encouraging forgotten age old, progressive concepts like *ardhangini* (an equal life partner) etc.

- ✓ Social customs which promote men and boys over women and girls may be targeted and reversed gradually in order to foster gender equality as a long term goal and bring about social and behavioural change with regard to son preference and sex selection.

vi. Inclusion of Local Religious/Spiritual Leaders in advocacy and community mobilization initiatives may be done in order to enhance the acceptance of such efforts by the community.

vii. Positive Reinforcements of Daughters need be done as providers of old age security. It needs to be highlighted that daughters look after parents in their old age as much as sons do and sometimes even more⁴.

viii. Promotion of Simple Weddings may be done aggressively to protect parents from financial burden of dowry and ostentatious marriage ceremonies

ix. Promotion of Equal Property Rights for daughters& sons may be done in the community through community mobilization initiatives

x. Prevention of Early/Child Marriage may be done aggressively in order to highlight the importance of allowing girls to complete their school education and preferably opt for higher education/career/skill building/vocational education etc. Special efforts need to be made for prevention of the same on on *Akshaya Tritiya*, organized on a massive scale in North India

xi. Email Signatures of Government officials may have the embedded social message of *Beti Bachao Beti Padhao* for creating a brand identity and ownership of the Campaign at District Levels. NIC or any other appropriate body at State/UT can facilitate the same

xii. Support may be extended to the following national activities by DC/DM:

- ✓ **Field Publicity** by the Song and Drama Division of Ministry of Information and Broadcasting
- ✓ **Display of Posters and other IEC material:** Efforts may be made to organize display of Posters and any other IEC material related to the Campaign in schools, primary health centres, block and district level hospitals, Anganwadi Centres etc. Panchayat Bhawans etc.
- ✓ **Mobile Exhibition Vans** to be aligned with community mobilizing efforts.

² Examples of breaking age old tradition such as daughters performing last rites of their parents, allowing mothers to participate in religious activities involving their children's marriage should be promoted to send out progressive message across the community.

xiii. **Encouraging Effective Use of Social Media:** A variety of social media platforms may be used for pushing positive messages out. Social media initiatives may be pushed aggressively as these do not have any financial implications. The following ways and means are suggested:

✓ Inform and encourage people to like Facebook, Twitter handles, G+ etc. of PMO, MWCD, MoI&B, MoHRD and MoH&FW etc. leading to a large online support base for BBBP.

✓ Encourage communities, especially youth, to access the *Beti Bachao Beti Padhao* YouTube Channel (through desktop/mobile phone), created for screening a pool of relevant films and appropriate audio visual content drawn from all over the country, forming a playlist. This play list of online content should be used for the purpose of screening (live and as downloaded).

✓ Encourage Community/Local BBBP Champions who have defied social norms for the cause of the girl child to contribute personal stories of triumphs and tribulations to this channel.

✓ DM/DC may consider engaging with people live through Google Hangout which can lead to manifold increase in the subscriber base of BBBP social media platforms.

xiv. **Local BBBP Champions:** All The efforts suggested above may be lead by strategic involvement of local opinion and change makers who can set positive examples and serve as Local Champions. Some suggested activities are given below:

✓ Peer sharing and learning reinforced by community support groups along with pressure created by culturally appropriate local media may be done.

✓ DC/DM may reach out to MLAs, Parliamentarians, elected women representatives of PRIs and ULBs etc. to serve as Local Champions of this campaign.

✓ Senior Officials from PSUs/Private Sector may be encouraged to promote the issue at their level.

✓ Government functionaries at grass roots level like AWW, ASHAs, CDPOs etc. may serve the role of Champions to promote education for girls.

xv. **Awards and Incentives:**

✓ Identify individuals or civil society organizations which do exemplary work towards implementation of BBBP Scheme for recommendation by DCs for **Rajya Sanman or Zila Sanman** initiated by MWCD

✓ Encourage meritorious girls from the fields of academics/sports/culture/social work/science etc.

- ✓ Felicitate/incentivise meritorious girls and their families with cash/token appreciation on National Girl Child Day/International Women's Day/Independence Day/Republic Day etc.
 - ✓ Highlight exemplary case studies of girls coming up despite odds, stories of families which have promoted daughters despite their struggles in local media. Such stories will not only ensure media coverage but also set positive examples, leading to mind set change of the target population.
- xvi. **Timeline:** All the community mobilization & outreach programmes need to be staggered through-out the year to keep the momentum of the Campaign going. The DC/DM may work out the detailed and customised District Action Plan with timeline for each activity.

4.2.6. Data Collection, Monitoring and Evaluation:

- i. Develop/Finalize tools & formats for data collection/ Reporting/ Monitoring
- ii. Collect Primary Data & Compile Secondary data on SRB&CSR indicators from allied departments including Civil Registration System (CRS)
- iii. Monitor birth registration and Sex Ratio at Birth (SRB) through the AWW, ASHAs & Panchayats
- iv. Monitor implementation of PC&PNDT Act in terms of registrations/ cancellation/ court cases/ complaints/ convictions and thorough mapping/survey exercises through state/ district Appropriate Authorities
- v. Identify unregistered machines in the district with support from Grassroots functionaries/Community Volunteers
- vi. Monitor ANC registration/ checkup, immunization of girl child, birth registrations by Grass roots functionaries (ASHAs/ANMs/AWWs) & community volunteers. Data may be collated at block level & compiled block-wise report may be submitted every month to DCs
- vii. Monitor the Scheme, analyse, interpret and take corrective action at appropriate levels

4.2.7. Reporting & Documentation

It is important to document all activities conducted at the District, Block & Gram Panchayat Level, related to the Scheme and Campaign, through regular reports, MIS and photographic documentation. At the district level, a Nodal Officer would be responsible for process & progress documentation in each of the 100 Districts. The Programme Management Unit (PMU) of BBBP at the National level will compile the monthly reports received from States and may produce quarterly Newsletters.

*Nari ki Chaupal

Nari ki Chaupal aims to create a vibrant meeting space that enables a large number of community groups, civil society organizations and women from different cross sections to come together, reflect and have a dialogue on issues that affect them, with an approach towards finding solutions. Women and men can sit together to share their stories, experiences and learning and in turn, become aware of various government schemes and programmes targeted at achieving women's empowerment. Various key messages on a range of thematic issues can be disseminated through interesting, pre designed and structured activities.

**** *Guddi-Gudda* Boards providing the details of number of boys and girls born in a month

Action points for Gram Panchayats on CSR

- (i) Special Gram Sabha meeting to discuss (a) birth rate of boys and girls over the last few years, (b) the impact of having a larger number of men than women, (c) the illegality sex determination of foetus and female foeticide and (d) increase the value of girl child through advocacy.
- (ii) Mahila Sabha should be constituted immediately either through executive instructions or through statutory rules. They should hold regular meetings and review actions listed here. The Panchayat will convene Mahila Sabha meetings consisting of all women voters and explain to them the actions which are being taken.
- (iii) One of the issues which must be discussed in Mahila Sabha is the impact of having lower number of women on public order and well being of adults.
- (iv) Sex determination is possible only after three months of pregnancy. Pregnant women who register themselves at Anganwadi Centres / ANM after three months are likely to have gone for sex determination of foetus.
- (v) As per the decision of the Government of India, a Ward Member preferably a female Ward Member will be the Chairperson of the Anganwadi Centre Monitoring Committee. A copy of the circular is attached. She should closely monitor the registration of pregnant mothers, birth, immunization and other activities. She should report the findings at Gram Panchayat meetings.
- (vi) In the Gram Sabha meeting, women who are committed to the cause of girl children will be selected as volunteers to work for this cause. The Panchayat could be divided among the volunteers. One activity is to see that every pregnant mother shall be asked to report to the Anganwadi Centre after the first month. They will also keep a watch on such mothers to see that the touts / agents do not come and she does not go for sex determination test. If she does so, the volunteers will accompany her to the clinic and ensure that nothing illegal happens.
- (vii) Volunteers / Ward Members will report to the police about agents who come from outside for facilitating women in sex-determination test and female foeticide and their names should be announced in the Gram Sabha and Mahila Sabha.

- (viii) The Anganwadi Centres / Ward Members will report to the Gram Panchayat every month about the pregnant mothers, children and immunization.
- (ix) The Anganwadi Worker who also belongs to the same village will take the initiative for registration of all cases of pregnancy during the first month.
- (x) The villagers including Panchayat Members and Sarpanch must keep a watch on the clinics engaged in this activity and if any case is detected the matter should be brought to the notice of police and District Magistrate.

Parameters & Guidelines for instituting district level award for promoting girl's education

Under “*Beti Bachao, Beti Padhao*” Abhiyan, Rs. 5 lakh per district, may be used for promoting girl's education by instituting district level awards to be given to 5 schools in each district every year on the **following parameters**:-

- (i) Rs. 1 lakh award may be given to the School Management Committee (SMC) which enrolls 100% girls in the neighbourhood of the primary school and also retains them in the first year.
- (ii) Another Rs. 1 lakh can be given as an award to the SMC of a primary school which causes the transition of 100% girls studying in class V into class VI of same/other neighbourhood upper primary schools.
- (iii) Two awards each of Rs. 1 lakh may be given to SMCs of upper primary schools which affect a 100% transition of girls studying in class VIII to class IX in same/other neighbourhood secondary schools.
- (iv) Rs. 1 lakh award can be given to the SMC of the school which affects 100% transition of girls studying in class X to class XI in same/neighbourhood higher secondary schools.

Guidelines about Award

- (i) The money would be made available to the District Magistrates who will disseminate the information about the awards of the schools, cause applications to be collected from the schools, get the applications and claims verified and thereafter disburse the funds to the SMCs which qualify for the 5 awards in a function organized for the purpose.
- (ii) The competition to encourage girl's education and retention would be open to all Government schools and the award would be disbursed into the bank account of the SMCs, for use as they think appropriate, for improvement and strengthening of the school.
- (iii) There is a likelihood that in each category more than one school would apply and qualify the criteria of enrolling/causing transition of all girls from the given grades to the next. Keeping this possibility in mind, additional criteria for the award may be decided by the concerned District Magistrate which may incorporate points on attendance, drop outs and/or efforts by the SMCs to enroll and bring back never enrolled and drop out girls.
- (iv) Funds may be made available for this incentive from “*Beti Bachao Beti Padhao*” Abhiyan funds which would be transferred to the District Magistrate.
